CONFIRMATION PROCESS OF ALLOCATED SLOTS

By 9 April 2020 each NPC must confirm to BWF in writing (only emails are accepted) the Doubles Ranking List qualification slots they will use. By 27 April 2020 each NPC must confirm to BWF in writing (only emails are accepted) the Singles Ranking List qualification slots they will use. By 15 May 2020 each NPC must confirm to BWF in writing (only emails are accepted) the

Mixed Doubles Ranking List qualification slots they will use. NPCs that have not replied by these dates will have lost their slots and BWF may reallocate them by the relevant dates in the above timeline. Important note: Doubles slots are allocated to the individual Doubles pair. In case one athlete is unable to accept his or her slot, the Doubles partner automatically loses their slot, so that BWF can reallocate the two slots to another eligible Doubles pair.

By 25 May 2020 BWF will confirm in writing the reallocation of all unused qualification slots.

By 15 June 2020 it is officially declared that the respective NPCs will use the allocated slots for the Tokyo 2020 Paralympic Games. Any NPC that does not use its allocated slots may be subject to sanctions by IPC and BWF.

REALLOCATION OF UNUSED QUALIFICATION SLOTS

Any qualification slot that is not used by an NPC will be reallocated to the next highest eligible athlete or Doubles pair on the respective Road to Tokyo Paralympic Ranking List.
