

ORIGINAL SOKOS HOTEL VIRU

If you haven't been in the legendary Viru Hotel, you haven't seen all of Tallinn.

The first skyscraper and prominent landmark in Estonia offers breath taking views of Tallinn Bay and Tallinn's UNESCO protected medieval Old Town. The hotel has the widest range of room types, restaurants, entertainment facilities, relaxation services and the "must see" KGB museum all under the same roof. Original Sokos Hotel Viru provides direct access to the Viru Centre shopping mall and is close to theatres and popular cultural centres.

Location

In the very heart of Tallinn – at the gates of Tallinn's main attraction, the medieval Old Town. The main concert halls, Estonia Opera House, shopping and entertainment centres are all within walking distance.

Accommodation

The cosy Standard rooms are styled on the trendy sober Northern design. All rooms are equipped with a 32-inch flat screen TV and free Wi-Fi with all mod cons.

For more exclusivity or a business related stay, the spacious Superior room with extra comfort and spacious working facilities is the perfect choice.

Luxury is sometimes absolutely essential – our high floor suites and Junior Suites with sauna provide exceptional grounds for pleasant memories.

For family adventure, we proudly recommend Onni the Squirrel rooms with fun bunk bed and special amenities for children.

Meeting facilities

The hotel has modern meeting, banqueting and dinner facilities for groups of 10 to 1,100 guests. We also have over 500 m² of exhibition space and multiple fair solutions.

Dining

The Merineitsi Restaurant combined with the banquet hall provides an ample Scandinavian style breakfast from 7:00-11:00 as well as conference, buffet and dinner catering for up to 400 guests at a time. On cosy candlelight seasons, Merineitsi presents fabulous Show&Dinner nights with the Chameleon Kitchen providing an a la carte service. Amarillo Restaurant with its easygoing atmosphere is famous for its spicy and luscious tex-mex meals with refreshing margarita cocktails. Valutabaar (hard currency bar) is an intriguing Soviet retro bar with karaoke at weekends. The lobby bar and pub provide comfortable meeting places at the lobby. Cafe Amigo – Tallinn nightlife hotspot with live music from Thursday to Saturday – is open daily until the early hours, with free entry for hotel guests.

Recreation

Estonia's first ever hotel museum – Hotel Viru and KGB. Highly recommended by Tripadvisor. Three saunas for perfect relaxation with either a small pool or a whirlpool bath. Beauty Centres – one with classic beauty and wellness treatments and the other with modern and trendy procedures.
