According to Badminton Europe Junior Circuit Instructions point 2.3, it is required that every event in a particular BEC Junior Circuit tournament has at least 8 competitors (i.e. actual competitors, not merely entries). If the required number of competitors is not met, this particular event shall not count towards any ranking.

In accordance with regulation 10.4 in Appendix 6 to BWF's General Competition Regulations, an event must contain at least one entry from a Member Association other than the hosting Association. If an event does not contain at least one entry from a Member Association other than the hosting Association, this particular event shall not count towards any ranking.

BADMINTON EUROPE is not liable for any costs incurred by third persons (players, coaches, umpires, team managers etc.) because of an event not having enough competitors to count for the rankings.
